ICT Mahidol welcomed a group of teachers and students from Chonprathanwittaya School during their visit

On July 22, 2023, the staff of the Organizational Communications Department, the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), warmly welcomed a group of 45 teachers and students from Chonprathanwittaya School during their visit. On this occasion, they were given the opportunity to explore and observe the educational facilities and teaching resources within the Faculty of ICT, such as the Innovative Space, Computer Laboratory, Co-working Space, Smart Classroom, and Grand Auditorium at the Faculty of ICT, Mahidol University, Salaya.

This visit was part of the "Math and More at Mahidol - One Day Trip" project, organized by the Mathematics Department, Faculty of Science, Mahidol University. The main objective of this project was to provide information and promote various faculties within Mahidol

University to the visiting school. Additionally, it aimed to introduce the high school students to potential opportunities in the field of data science for their future careers.
