ICT Mahidol welcomed delegates from the Ministry of Public Health of the Democratic People's Republic of Laos during their visit

On July 24, 2023, Dr. Pattanasak Mongkolwat, the Dean of the Faculty of Information and Communication Technology (ICT Mahidol), along with Dr. Pisit Praiwattana, the Assistant Dean for Organizational Communications and Media Technology, and Dr. Jidapa Kraisangka, Assistant Dean for Academic and Curriculum Development, greeted Ms. Southiny Phiahouaphanh, the Digital Health Coordinator, Department of Planning and Finance, Ministry of Public Health, Democratic People's Republic of Laos, during her visit to the Faculty of ICT, Mahidol University, Salaya.

On this occasion, she was accompanied by Mr. Fookty Phengphakeo, a student of M.Sc. in Data Science for Healthcare (International Program) at the Faculty of Medicine, Ramathibodi Hospital, as well as Ms. Kongpadith Douangdy, a student of M.Sc. in Computer Science at the Faculty of ICT, Mahidol University.

During the visit, the ICT Mahidol's Dean and faculty members showcased the educational facilities within the faculty, including the MU AI Center, Mahidol-AIST Research Unit (MIRU), and the Grand Auditorium. Additionally, they had the opportunity to explore the atmosphere of Mahidol University and to visit the Archive and Museum, Mahidol University.
