Seminar / Training News

ICT Mahidol staff served as guest speakers in a training program, "Designing and Creating Infographics for Creative Communication in Organizations using Piktochart and PREZI"

On July 17, 2023 – Dr. Sujika Srinuntakul, Educator, along with Miss Duanghathai Pangjiklee, Audio-Visual Technical Officer (Senior Professional Level), and Mr. Ekarat Boonyakiat, Audio-Visual Technical Officer from Audio Visual and Digital Learning Media Development Division, the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), served as guest speakers to share their expertise in a training program on "Designing and Creating Infographics for Creative Communication in Organizations using Piktochart and PREZI". The training was provided to the staff of the Institute of Nutrition, Mahidol University, Salaya.

The objective of this training program was to equip the participants with techniques for presenting a large amount of data and statistical figures in easily understandable visuals.

It also focused on providing the participants with creative thinking techniques for designing infographics. Additionally, the training covered the use of Piktochart for creating infographics and PREZI for creating easy-to-understand animated infographics. This enabled the participants to effectively apply the knowledge they had gained in their daily work.
