ICT Mahidol warmly welcomed a delegate from the University of Groningen, the Kingdom of the Netherlands during his visit

On August 17, 2023, Dr. Pattanasak Mongkolwat, Dean of the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), along with Lect. Pagaporn Pengsart, Deputy Dean for Infrastructure and Technology, as well as Lect. Snit Sanghlao, Assistant Dean for Engineering and Environment, cordially welcomed Mr. Tim Zwaagstra, Senior Policy Adviser at the International Strategy & Relation Team Asia/Pacific, University of Groningen, the Kingdom of the Netherlands, during his visit to the MU AI Center and the Mahidol-AIST Research Unit (MIRU) at the Faculty of ICT, Mahidol University, Salaya. On this occasion, they discussed co-funding for Ph.D. students, and exchanged knowledge about utilizing Artificial Intelligence (AI) in deep learning and analyzing relevant data for various operations at the MU AI Center.
