ICT Mahidol instructor visited students participating in the internship programs in Japan

ICT Abroad internship programs 2022 in Japan

During July 26 - 28, 2023, Dr. Chaiyong Ragkhitwetsagul, an instructor from the Computer Science Academic Group and the Software Engineering and Business Analytics Research Clusters (SEBA) at the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), paid a visit to seven undergraduate students of B.Sc. in Information and Communication Technology (ICT International Program) who were participating in research internship programs in Japan. The visit details are as follows:

- On July 26, 2023, Dr. Chaiyong Ragkhitwetsagul visited Miss Doungnat Thiansukont and Mr. Pongpop Lapvikai, both third-year students, who were involved in the research internship program at the Software Engineering Lab, Osaka University.
- On July 27, 2023, the visit continued with Mr. Rujiphart Charatvaraphanand, a third-year student, and Miss Sushawapak Kancharoendee, a second-year student, who were participating in the research internship program at the Nara Institute of Science and Technology (NAIST).
- Finally, on July 28, 2023, Dr. Chaiyong Ragkhitwetsagul paid a visit to Mr. Nitit Ngamphotchanamongkol, Mr. Siranut Akarawuthi, and Miss Runchana Seesung, all third-year students, who were taking part in the research internship program at the Japan Advanced Institute of Science and Technology (JAIST).
