

## Seminar / Training News

ICT Mahidol organized a training program on “Enhancing ICT Skills” for students of Prasarnmit Demonstration School (Secondary), Srinakharinwirot University

On September 7, 2023, the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), in collaboration with Prasarnmit Demonstration School (Secondary), Srinakharinwirot University, conducted a training program on 'Enhancing ICT Skills' for 31 students from the school. On this occasion, Dr. Tipajin Thaipisutikul, Assistant Dean for Academic Services and Technology Transfer, delivered a warm welcome speech to all students in Room IT 104, ICT Building, Mahidol University, Salaya. Following that, Dr. Sujika Srinuntakul, an educator from the Audio Visual and Digital Learning Media Development Division, served as the keynote speaker. The training topics included using Adobe Photoshop, using Adobe Illustrator, creating 2D characters in flat graphic design, and creating an impressive portfolio.

The objective of this training program was to promote and support students in developing their information technology skills to a higher level. The aim was to enable students to apply the skills, knowledge, and experiences gained from the training in their future learning. Additionally, it aimed to enhance their critical thinking processes. The project

included two sessions, with the next training scheduled for September 14, 2023, focusing on the topic of "Fundamental User Experience Design (UX)", conducted by Lect. Kanrawi Kitkhachonkunlaphat, ICT Mahidol Instructor.
