

Seminar / Training News

ICT Mahidol organized a training program on “Upskill & Reskill: AI Executive Program (MUAI)”

On 6 September 2023 – the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), together with its collaborative partners under the project “Center of Excellence in AI-Based Medical Diagnosis (AI-MD)”, organized a training program on “Upskill & Reskill: AI Executive Program (MUAI)”. On this occasion, Dr. Pattanasak Mongkolwat, Dean of ICT Mahidol, addressed a warm welcome speech, and gave a lecture on the topic “AI in your unit” to all participants. Respectively, Dr. Tipajin Thaipisutikul, Assistant Dean for Academic Services and Technology Transfer, ICT Mahidol, also presented the topic, “AI Fundamentals and Machine Learning Techniques for Executives” in the Bits & Bytes Hall, 4th floor, the Faculty of ICT, Mahidol University, Salaya.

The “AI Executive Program (MUAI)” training program is one of the collaborative projects between the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol) and the Electronic Transactions Development Agency (ETDA), under the “Center of Excellence in AI-Based Medical Diagnosis (AI-MD)” project, supported by the Reinventing University System.

Two additional training sessions are scheduled as follows:

13 September 2023

- Topic: “AI Computing for Executives” by Lect. Pagaporn Pongsart, Deputy Dean for Infrastructure and Technology, ICT Mahidol
- Topic: “Cybersecurity Leadership and Strategy for Executives, Organization Leaders, and Researchers” by Dr. Ittipon Rassameeroj, Assistant Dean for Infrastructure and Technology

20 September 2023

- Topic “AI Governance for Executives: Building Trust and Reliability in AI Adoption for Organizations” by Dr. Sak Segkhoonthod, Senior Advisor, Electronic Transactions Development Agency (ETDA), and expert team from the AI Governance Clinic.
