ICT Mahidol organized a training program on "Enhancing ICT Skills" for students of Prasarnmit Demonstration School (Secondary), Srinakharinwirot University

On September 14, 2023, the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), in collaboration with Prasarnmit Demonstration School (Secondary), Srinakharinwirot University, conducted a training program on 'Enhancing ICT Skills' for 61 students from the school. On this occasion, Dr. Tipajin Thaipisutikul, Assistant Dean for Academic Services and Technology Transfer, delivered a warm welcome speech to all students in Room IT 212, ICT Building, Mahidol University, Salaya. Following that, Lect. Kanrawi Kitkhachonkunlaphat, ICT Mahidol instructor, served as the keynote speaker, providing her expertise on 'Fundamental User Experience Design (UX)' and conducting a workshop activity on designing interfaces to solve customer problems and improve usability. She used principles of User Experience (UX) and User Interface (UI) to instruct all the students.

The objective of this training program was to promote and support students in developing their information technology skills to a higher level. The aim was to enable students to apply the skills, knowledge, and experiences gained from the training in their future learning. Additionally, it aimed to enhance their critical thinking processes.
