ICT Mahidol organized "ICT Internship Poster Exhibition 2023: Abroad & Thailand"

      On September 13, 2023, the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol) organized the "ICT Internship Poster Exhibition 2023: Abroad & Thailand." This exhibition showcased internship projects and experiences of students enrolled in the B.Sc. in Information and Communication Technology (ICT International Program) who did their internship during the Academic Year 2022. On this occasion, Dr. Pattanasak Mongkolwat, the Dean, addressed a warm welcome speech to all students at Bits & Bytes Hall, 4th floor, ICT Building, Salaya.

      During the event, Dr. Pisit Praiwattana, Assistant Dean for Organizational Communications and Media Technology, and Dr. Tipajin Thaipisutikul, Assistant Dean for Academic Services and Technology Transfer, served as the MCs for the event. They provided guidance on joining internship programs in both Thailand and abroad for ICT International Program students.

      Following this, there was an "Internship Experiences Sharing Panel by Intern Students from ICT International Program" included the following participants:

- **University of Bremen, Germany:**
  - Miss Bunradar Chatchaiyadech, 4th year student

- Mr. Phutthikanj Kitivoranondh, 3rd year student

- **Tokyo University of Agriculture and Technology (TUAT), Japan**
  - Mr. Perakorn Nimitkul, 4th year student

- **National Central University (NCU), Taiwan**
  - Miss Chayakun Borattasuwan, 4th year student
  - Miss Pruksa Dankittipong, 4th year student

- **SpeeChance Co., Ltd., Thailand, as well as National Institute of Advanced Industrial Science (AIST), Japan**
  - Mr. Kontawat Wisetpaitoon, 4th year student

At the conclusion of the event, the poster exhibition featured 43 internship posters created by students who completed internships both in Thailand and abroad. The event was a great success and attracted a significant number of students from both programs: B.Sc. in Information and Communication Technology (ICT International Program) and B.Sc. in Digital Science and Technology (DST Thai Program).

The "ICT Internship Poster Exhibition 2023" aimed to provide undergraduate students in the ICT International Program with the opportunity to showcase their work and share knowledge about their internship experiences through a poster exhibition. In Academic Year 2022, a total of 93 students participated in internship programs, with 56 of them completing internships with our international collaborative partners in Germany, Japan and Taiwan. The remaining 37 undertook internships with top companies such as MFEC, ExxonMobil, Trinity Roots, Agoda, and others.
