

Students Awards and Success

ICT Mahidol's Ph.D. student in Computer Science, Mr. Phat Nguyen Huu, was awarded the "Thesis Partially Support Scholarship 2023" from the Mahidol University Alumni Association for Graduate Studies

The Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), congratulates Mr. Phat Nguyen Huu, a Ph.D. student in Computer Science (International Program - Special Program), on receiving the "Thesis Partially Support Scholarship 2023," valued 15,000 Thai Baht from the Graduate Studies of Mahidol University Alumni Association. He is under the guidance of Asst. Prof. Dr. Preecha Tangworakitthaworn, his thesis advisor. The scholarship was presented on October 25, 2023, at Room 408, Faculty of Graduate Studies, Mahidol University, Salaya.

The "Thesis Partially Support Scholarship" is an initiative by the Graduate Studies of Mahidol University Alumni Association. It is awarded annually to graduate students to promote and support high-quality thesis work, thereby enhancing overall academic excellence at Mahidol University.
