

Student Awards and Success

ICT Mahidol student won the 2nd place at the "Creative AI Camp 2023 (CAI Camp 2023)," held under the theme "AI as a Human Being"

The Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol) congratulates Mr. Salute Fuangvut, a sophomore in the B.Sc. in Digital Science and Technology program (DST Thai Program), for his outstanding performance. His team, "ALL FOR U," won the second place in the AI and Go game categories during the "Creative AI Camp 2023 (CAI Camp 2023)." The competition, held under the theme "AI as a Human Being," took place on October 29, 2023, at the Auditorium on the 16th floor of the CP ALL Academy building."

The "Creative AI Camp" is an initiative organized by the Creative AI Division (CAI), a part of CP ALL Public Company Limited. The camp focuses on imparting computer AI skills and knowledge, including Computer Vision, Natural Language Processing, Neural Networks, ChatGPT, and various methods of AI creation, all following the Creative AI Convergence by Go

Philosophy. Additionally, the camp offers workshops to develop strategies based on real challenges from four sectors: operations, marketing, human resource management, and contact centers. This approach aligns with the Phenomena Work-based Learning concept, which aims to empower young individuals to become AI leaders and create meaningful changes in the future.
